HISTORY OF EXCELLENCE

Advisor autonomy has been a core tenet of our business from the start.

Formed in 1989 through the merger of Linsco and Private Ledger (founded in 1968 and 1973, respectively), LPL was built on the belief that objective financial guidance benefits everyone—and advisors are best able to serve clients when they have access to innovative tools and solutions. Remaining strong in this conviction, we formed a political action committee to lobby Washington on behalf of advisors and their clients, working to keep access to objective advice a constant in our industry.

As we grow, we regularly update our service offerings, including new platforms and insights to ensure advisors, banks, and credit unions have the right tools to meet your needs. Our continued investments in technology, cybersecurity, and operational efficiencies have helped us become a leader

in the industry and a trusted partner for your advisor.

Today, we provide comprehensive support and a broad range of innovative business solutions to a network of more than 16,000 financial advisors. We’ve built a reputation for customized service and personal attention, and our research and conferences, which provide your advisor with educational and training opportunities, are renowned throughout the industry. To continue supporting the delivery of objective financial advice at the local level, we’ve established a nonprofit foundation that’s committed to giving back to the communities where LPL advisors and employees live and work. As we grow and evolve, we remain committed to the philosophy of objective guidance that has propelled our success and will continue to shape our future.

Through our multi-bank sweep solutions, clients will receive the benefit of FDIC insurance:

- Accounts eligible for the Insured Cash Account (ICA) will receive up to \$2.5 million in coverage for single account holders and \$5 million for joint accounts.

Regardless of investment type or size, we ensure your accounts are well protected. If you'd like more information on our SIPC membership, please visit www.sipc.org for a brochure. For FDIC insurance coverage information, visit www.fdic.gov.

* The account protection applies when an SIPC member firm fails financially and is unable to meet obligations to securities clients, but it does not protect against losses from the rise and fall in the market value of investments.
